- 1 - 007 George Lazenby James Bond signed b/w 10 x 8 inch O.H.M.S.S. photograph. Scarce image with gun in hand, dedicated to Daniel. He was the second actor to portray fictional British secret agent James Bond in the Eon Productions film series, playing the character in *On Her Majesty's Secret Service* (1969). Having appeared in only one film, Lazenby's tenure as Bond is the shortest among the actors in the series. Beginning his professional career as a model, Lazenby had only acted in commercials when he was cast to replace original Bond actor Sean Connery. He declined to return in subsequent Bond films and instead pursued roles in films throughout the 1970s that included *Universal Soldier* (1971), *Who Saw Her Die?* (1972), *The Shrine of Ultimate Bliss* (1974), *The Man from Hong Kong* (1975) and *The Kentucky Fried Movie* (1977). After his career stalled during this period, he moved into business and invested in real estate. Lazenby later appeared in roles that parodied the James Bond character. In 2017, a Hulu docudrama film, *Becoming Bond*, featured Lazenby recounting his life story and portrayal of Bond. Good condition Est. £60 - 80
